There was not a lot of feedback on the draft informational memo. [REDACTED]

For Thursday's meeting I would like for you to please attend. I can lead the meeting. Patrice plans to attend. Tony also said he may want to attend.

The meeting is on Thursday July 28 from 1-2 in room 6425.

Attached is a draft agenda that includes internal talking points for the meeting.

While we probably won't be able to give the Chairwoman a signed letter on Thursday, I would like to show her the draft in order to explain where we are at with process and the standards. I would also like to let her know that letter will be finalized soon. The draft letter is included in the attached informational memo as an attachment.

Thanks.

Hi Everyone:

During yesterday's SOL meeting, Paul asked that I put together a draft informational memo and share it with this group for feedback. The informational memo is attached. It tracks some of the major points and list the standards described in an earlier memo on admin error. That earlier memo is also attached.

Paul will use the informational memo to brief people in the building at the start of next week.

Next week I am attending a meeting on Thursday that Patrice has with the Tejon chairwoman to discuss admin error. On Monday at 1:00 I have a meeting with Patrice to prep for the Tejon Chairwoman's meeting. I will share an updated informational memo with Patrice that includes everyone's feedback.
